Dear Bob:

I wanted to take a moment to thank you for your outstanding service during our Pro Football Hall of Fame party honoring former 49ers lineman, Fred Dean. Your staff was courteous and professional and the food was outstanding. In addition, your personal attention to our event was extraordinary.

Should we ever need your expert professionalism in the Akron area, we'll be sure to contact you. Thanks again for your assistance toward a perfect evening.

God bless you.

Sincerely,
